

**HUGHES COUNTY FAIR
FREE FAIR - FFA
August 15-18, 2007**

The Hughes County Free Fair Board welcomes you to the fair and encourages all county residents to participate as exhibitors. The board has worked to provide the best premium list possible. The success of the fair will be determined by the interest shown by people of the county. It requires individual effort on the part of many people to have a well-balanced and quality group of exhibits. Both exhibitors and spectators are encouraged to observe and take advantage of learning experiences available by viewing the exhibits, in order that the fair will contribute to the quality of life for all of us.

Competition is our way of life so let's show the part of good sportsmanship. Bring a good, creditable display to the county fair and share your experiences with the many others who will be in attendance for the same purposes.

Fair officials will be at the fairgrounds to receive entries as listed in the schedule. The Board reserves the right to correct any mistakes in the books as they are discovered. All entries will remain in place until released by superintendent on Saturday.

The use of such practices or procedures is, therefore, considered a violation of the Rules and Regulations governing this show.

1. Misrepresenting the age of the animal for the class in which it is shown.
2. Treating or massaging any part of the body internally or externally with an irritant, counter-irritant, or other substance to temporarily straighten a weak back or loin or to produce unnatural animation.
3. Minimize the effects of crampiness by feeding or injecting drugs, depressants or applying packs or using any artificial contrivance or therapeutic treatment exempting normal exercise.
4. Striking the animal to cause swelling.

5. Surgery or any other procedure performed to change the natural process of growth, maturation, contour or appearance of any animal, to include teeth, is prohibited. Not included is removal of teats or horns, clipping and dressing of hair and trimming of hooves.

8. Administration of a drug of any kind or description, internally or externally, prior to entering the show ring, except for treating a recognized disease or injury and for tranquilizing bulls that may otherwise be dangerous or females in heat. For the purpose of these rules, the term "legal drug" shall mean any substance, the sale, possession or use of which is controlled by license under federal, state or local laws or regulations and any substance commonly used by the medical or veterinary professions. The use of any chemical and/or compound that is not approved by the Food and Drug Administration for use in meat producing animals and the illegal use of approved chemicals and/or compounds are prohibited. All animals shall be subject to tests for foreign substances that exceed the acceptable levels established by the United States Department of Agriculture, Food and Drug Administration or the Environmental Protection Agency. A positive test will result in disqualification, forfeiture of any premiums and/or awards and will exclude the exhibitor from future competition at the Tulsa State Fair. All medications will be administered by licensed veterinarians only.
9. Balancing the udder by any abnormal means including the use of a mechanical contrivance or the injection of fluid or drugs. The use of common products such as fly spray, ointment or liniment in excess to the extent that it is irritating is included as an irritant unless required to reduce edema at the time of calving.
10. Criticizing or interfering with the judge, other exhibitors, breed representatives or show officials before, during or after the event may result in an individual or group being expelled, placed on probation, declared ineligible or barred from exhibiting at the event.

Any violation of the Rules and Regulations specifically designed for the individual shows or the "Show Ring Code of Ethics" may result in forfeiture of all premiums and awards, disqualification, expulsion or probation of the exhibitor, organized group, and individual or livestock involved.
