APRIL 2009

Congratulations Kayla & Carolyn!

Kayla Chambers of the Jolly Workers HCE group was named the NE District OHCE Young Member of the Year. Carolyn Garren of the Elmview HCE groups was named the NE District OHCE Member of the Year. We are proud of both members and know they will represent Ottawa County and the Northeast District well in the state competition.

QUILTING WORKSHOP COMING SOON!

The Cultural Enrichment Committee has planned a quilting workshop for anyone wanting to learn to quilt. In order to teach the quilting techniques, they would like to train some volunteers to assist with the Quilting Workshop. The training class will be April 24th, 9:00 am at the Fairland Senior Center. If you have any questions, please call Geneva Falling.
